

Neurological Council of WA

Wear a splash of blue in support of National Carers Week!

CARERS MORNING TEA

Hosted by the Neurological Council WA

Carers of people living with neurological conditions or diseases, and those they care for, are invited to join our neurological nurses for a relaxed morning tea to mark National Carers Week, 16 - 22 October.

- Learn more about support services from our presenters
- Make new connections, and share experiences, problems and solutions
- Take the opportunity to get your health checked and have a chat with one of our nurses
- Morning tea and information bags provided.
